(noises, movements, words)
- We call monthly weather changes  
(charts, symbols, seasons)
- The body needs rest after \_\_\_\_\_  
(hardwork, sleep, food)
- The body of a bird is covered with  
(hair, scales, feathers)
- We get vegetable oil from \_\_\_\_\_  
(sugarcane, sunflower, beans)
- A true insect has \_\_\_\_\_ pairs of leg.  
(3, 6, 8)
- Pyrethrum is used for making \_\_\_\_\_  
(clothes, insecticides, medicine)
- We eat the \_\_\_\_\_ of a cashew nut tree.  
(seeds, roots, leaves)
- \_\_\_\_\_ are unwanted plants.  
(Weeds, Seeds, Beans).
- A mirror \_\_\_\_\_ light.  
(takes, reflects, bends)
- Bubbles of \_\_\_\_\_ were seen coming out of the soil.  
(air, oil, water)
- The experiment shows that soil has  
(air, colour, particles)
- Wasps and bees protect themselves by \_\_\_\_\_  
(stinging, hopping, biting)
- A fish moves by \_\_\_\_\_  
(swimming, flying off, walking)
- \_\_\_\_\_ is the main source of light.  
(The sun, A fire, A touch)
- The place where plants grow is its  
(surrounding, habitat, field)
- A farmer prepares land for planting during the \_\_\_\_\_ season.  
(wet, cold, dry)
- Cactus plants grow in \_\_\_\_\_ areas.  
(swampy, dry, wet)
- The first teeth we get are called \_\_\_\_\_ teeth.  
(milk, juice, permanent)
- Growing of a new plant from a seed is called \_\_\_\_\_  
(planting, harvesting, germination)
- The roughness and smoothness of soil is called \_\_\_\_\_  
(drainage, texture, colour)

Use the diagram below to answer question 13 and 14.

24. This is a \_\_\_\_\_ seed.

(maize, bean, potato)

SCIENCE 3

25. A \_\_\_\_\_ can move by flying and walking.  
(bird, fish, cat)

26. A toilet is also called \_\_\_\_\_  
(a water closet, urinal, latrine)

27. An ambulance has a \_\_\_\_\_ that makes a special sound.  
(wheel, siren, scream)

28. A \_\_\_\_\_ is a simple machine.  
(scissor, comb, brush)

(panga, fishing rod, crowbar)

Use the diagram below to answer questions 30-35.

DAY	Morning	Evening
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

30. Which day was windy?  
(Wednesday, Thursday, Monday)

31. The drawing above is called a weather \_\_\_\_\_  
(symbol, clock, chart)

32. Which day was calm and sunny?  
(Tuesday, Monday, Thursday)

33. \_\_\_\_\_ day was calm and sunny?  
(Tuesday, Wednesday, Friday)

34. Mary carried an umbrella to school on \_\_\_\_\_  
(Tuesday, Monday, Thursday)

35. Which day was best for wearing light clothes?  
(Friday, Wednesday, Monday)
