# FRIENDS SCHOOL KAMUSINGA KCSE TRIAL **AND PRACTICE EXAM 2016**

101/1 **ENGLISH** PAPER 1 (Functional writing, cloze test and oral skills

#### 1. FUNCTIONAL COMPOSITION.

(20 marks)

You are chairperson of your school's Drama Club. Your group has participated in the just concluded National Drama Competition in Nakuru.

Write a report to the patron about the trip. In your report indicate what you accomplished, the problem you experienced and what cautionary measures you would take during such trips.

### 2. CLOZE TEST.

### Read the following passage and fill in each blank space with the most appropriate word.

(10 marks) Moi High School Kabarak produced a superhuman performance with close to half their students getting As in KCSE 2014. More (1) 90 per cent of their 274 students got either an A or A-, a performance which ought to be (2) \_\_\_\_\_ by all. It is easy to hothouse a small group of students, but to (3) top performance across board for such a large and diverse group is beyond excellence. I was shocked by Alliance's performance last year, even (4) \_\_\_\_\_\_ I still thought it could be equaled. Well Kabarak, bettered the result, and they (5) \_\_\_\_\_\_ so with a large group. Congratulations to the school, the students and the management.

It also has not (6) \_\_\_\_\_ my eye that Kabarak is co-educational. How serendipitous (7) \_\_\_\_\_ so soon after my article on why we need coeducational schools one such institution tops the nation!

The logic (8) \_\_\_\_ \_\_\_\_\_ the decision to segregate schools has always been spurious. It always claims that single-sex schools perform better than co-educational facilities. This (9) is not only wholly wrong, but also ends up hurting girls (10)

there are more national schools reserved for boys. nation 9th March, 2015

3. (a) Read the poem below and answer the questions that follow;-

When my love swears that she is made of truth, I do believe her, though I know she lies. That she might think me some untutored youth, Unlearned in the world's false subleties. Thus vainly thinking that she thinks me young, Although she knows my days are past the best. Simply I credit her false speaking tongue On both sides thus is simple truth suppressed. But wherefore says shes not unjust? And wherefore says not I that I am old? O love's best habit is seeming trust, And age in love loves not to have years told. Therefore I lie with her, and she with me, And in our faults by lies we flattered be.
