During the last holiday, my sister and I visited our grandmother in the village. Our parents escorted us to the bus station where we boarded a bus to the village. On the way, we saw many motorcycles and cars that were overtaking our bus. What made me happy is that our bus was always ahead of one big lorry that could not overtake.

### SECTION B:

#### READING COMPREHENSION

3. Read the story and then answer the questions that follow.

During the school holidays, my family travelled to a nearby town to visit our relatives. We boarded a train from the main station and I was thrilled because it was my first time on a train. On the way, I saw aeroplanes flying high in the sky and many trucks on the highway. When we reached the station, we took a taxi to my uncle's home. It was an exciting journey and I enjoyed listening to my uncle's stories. The best part was the delicious meals my aunt prepared for us.

a) What was the mode of transport used by the family?
